Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner and applicant's attorney discussed changes to the application that were necessary to place the application in condition for allowance. The examiner and applicant's attorney agreed upon the cancellation of non-elected claims 1-9 without prejudice to expedite allowance of elected claims 10 and 11. It was further agreed that the title and abstract would be changed so that they better reflected the elected and allowed invention. Refer to the Examiner's Amendment for a complete listing of changes.
